Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting Academic year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting Academic year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported Academic year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported Academic year.

- “Number Who Passed Exam” is the number of graduates who took and passed the available licensing exam after completing the program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

You have a right to cancel this enrollment agreement at any time by withdrawing from Bastyr University and obtain an applicable refund, as outlined below.

Withdrawal from the Program:

A student who finds it necessary to withdraw completely from the University should visit the Office of the Registrar for instructions regarding the withdrawal process. Failure to complete the term does not cancel the student's obligation to pay tuition and all other charges in full. For details concerning refunds, see the "Federal Refund Requirements" sections of the University Catalog or in the "Refund Schedule" section in the following page of the enrollment agreement.

The last day a student can withdraw from the University and receive "W" (withdrawal) grades is the Friday of the eighth week of the quarter. For summer quarter, the deadline to withdraw the Friday of the sixth week of the quarter. If a student withdraws between the ninth and twelfth weeks of the quarter (weeks seven and eight in summer quarter), s/he will receive failing grades. The only exception is when the student can document a family or medical emergency; in this case the student will receive "AW" (administrative withdrawal) grades.

In a situation where a student is unable to submit paperwork to withdraw from term-based classes within the appropriate time frame, the registrar has the authority to award the student grades of "AW." This is the equivalent of administrative withdrawal of the student from all courses, and the status of the grade of "AW" will apply to all courses in the quarter.

In the case of a student who is no longer attending classes but has not notified the Office of the Registrar of such, the registrar will determine the actual date of last attendance. This date may be used to determine which refund policy applies (i.e., regular refund policy or medical emergency refund policy).

The Office of the Registrar will notify the financial aid office and clinic registrar (if appropriate) with the date of last attendance. The Office of the Registrar will also notify the student of his/her change of status, grade(s), and possible refund or credit.
